FYI: Stephanie Skophammer (ERO) and Dawn Richmond (Air) are briefing Amy Zimpfer and Kerry Drake on the BDCP this morning at 11 to apprise them of the air issues and seek their input regarding our comments on those issues. I plan to join them. I thought you might like to have a copy of the attached briefing paper, which provides a few additional details regarding the air issues, which I did not go into during my briefing for you last Friday.
